

June 2018

Kenilworthians, we've had some inconsistent weather the past few months, it almost feels like we didn't have a Spring! Now that the warmer weather is here please be mindful of the heat, stay hydrated when going outside and remember to apply sunscreen.

Kenilworth is renowned for its restaurants; this year during the week of June 4 to the 8 is our first annual Restaurant Week! A full week of activities are planned for uptown, as if the discounts and special menus at participating restaurants aren't enough of a draw. For more information on participating restaurants, entertainers and activities, visit: www.kenilworthborough.org.

Another exciting first in our Borough is the start of our very own Farmers Market starting Tuesday, June 19 and every Tuesday after that up to November 15th. It is located in the municipal parking lot across from the VFW at 33 South 21st street from 11 am to 5 pm.

I would also like to announce the Kenilworth Library has a new Director! Stop in and welcome Ms. Lorraine Ruiz

We've been having some severe storm activity over the last few months, I'd like to say that this won't happen again, but I want to stress to all of you it's better to be prepared than not. Kenilworth utilizes the Swift 911 system to get information via landline phone or to cell phones if you wish. Sign on our Kenilworth Borough website for free. In times of crisis, the ability to get information quickly and accurately is imperative, this system allows the authorities to reach as many people as possible.
