

October 2018

Fall is here! I know many of you enjoy your Summers, but Fall has always been my favorite season, I love the cooler days and nights. Just a reminder, October also means we have less than 3 months until Christmas! Now that School is back in session and it gets darker earlier, keep a careful eye when driving and watch out for kids walking and biking. Please keep all those affected by these storms and hurricanes in your thoughts and prayers. If you can, there are many organizations donating all kinds of goods to affected areas. I hope we are spared the worst of it. Be proactive and prepared. If you have not done so sign up for the Swift 911 system to get information via landline phone or to cell phones. Sign up is free and is located on our Kenilworth Borough website. We also have information and a sign-up center at the Seniors Center as well as the Library. Our goal is to get everyone signed up. In times of crisis, the ability to get information quickly and accurately is imperative, this system allows the authorities to reach as many people as possible
